

Home Remodel Skilled Lead – Job Description

Job Type: Full-Time

Pay: \$25.00 – \$30.00 per hour

Key Responsibilities:

- – Perform a variety of remodeling tasks, including demolition, framing, carpentry, drywall installation and finishing, painting, flooring installation, and general repairs.
- – Lead and coordinate job site activities to ensure projects are completed on time, safely, and to company standards.
- – Operate and maintain a variety of hand and power tools and ensure safe job site practices at all times.
- – Communicate effectively with clients to provide progress updates and address any questions or concerns.
- – Collaborate with project managers and team members to meet production goals and maintain workflow efficiency.
- – Maintain a clean and organized work site, including proper material handling and debris removal.
- – Pick up materials and supplies as needed and manage job site deliveries.
- – Identify and resolve construction issues with minimal supervision using sound judgment and experience.
- – Set an example in professionalism, punctuality, and work ethic for the rest of the crew.
- – Represent the company positively with both customers and team members through clear communication and respectful interaction.

Qualifications:

- – Minimum 5 years of hands-on experience in residential remodeling or general construction.
- – Proficiency in multiple trades, including carpentry, drywall, painting, flooring, and framing.
- – Ability to read and interpret construction documents and scopes of work.
- – Skilled in operating a wide range of tools and job site equipment safely and efficiently.
- – Strong problem-solving abilities and adaptability to project needs.
- – Attention to detail and a commitment to producing quality, finished work.
- – Excellent communication and interpersonal skills.
- – Self-motivated and dependable, with the ability to lead and work as part of a team.
- – Valid driver's license and reliable transportation to travel to various job sites.
- – Physical ability to perform manual labor, work at heights, and in various weather conditions.
